

OH, WHAT A NIGHT!!!

The Chef's House was the site of a relaxing and fun evening on Thursday, June 4th, 2026. The Rotary Club of Toronto West in conjunction with the Canadian Landmine Foundation hosted a fundraiser for our Projects in Cambodia.

Thanks to the organizing team of Anthony Florendo, Lola Macanowicz, Brian Spencer, Mike Newediuk, Stephen Thiele and Patti Lee. **Thanks to our fabulous attendees / donors.** They not only paid and came to the event but they bought raffle tickets --- lots of them! Some people, who were not able to attend, donated as well. Thank you all so much!!

There were 20 door prizes and 8 Raffle Baskets ... almost half of the people went home with something besides a happy stomach. Thanks to our wonderful donors / sponsors for all of these goodies. **Please support our sponsors.**

And a happy stomach it was! Sparkling wine or mocktails with passed canapes during the reception. Then a fabulous 4-course gourmet meal accompanied by excellent wine. All cooked and served by the students at the best Culinary School in Canada. Eoghan Banks, Senior Manager of Enterprise & Events at George Brown, spoke about the school and what the students were learning there – not just culinary skills but lifetime skills.

It was our best year yet! We raised over \$7,800. This is the cornerstone of our 2026-2027 Rotary Grant Request to help a government school in our Cambodian community by building 10 toilets, purchasing 10 desktop computers, and purchasing 270 Days for Girls kits to help the most impoverished girls to stay in school every day. If successful, this Grant will be worth a total of \$21,000.

Thank you! Thank you! Thank you to our fabulous donors, to our wonderful sponsors, to our amazing organizers, and to the excellent George Brown Culinary School Students and Faculty!!!
