

THANK YOU - 3rd Annual Culinary Experience Fundraiser

The Rotary Club of Toronto West (RCTW) in conjunction with the Canadian Landmine Foundation (CLMF) held a very successful fundraiser on June 12th at the Chef's House, part of George Brown College. The students handled everything from start to finish.

One post graduate student, who had studied in Italy, discussed his experience in Italy.

Patti Lee acted as host for the event and **Taylor Thiele** had created a video-film, that highlighted the work in Cambodia.

The fun was added by 10 door prizes and 14 fabulous raffle baskets.

Thanks to all of the attendees and RCTW & CLMF for their fantastic support.
